VISUAL intelligence SERVICE

● MAPS AND POSTERS

● CHARTS AND GRAPHIC DISPLAYS

WE CAN DESIGN custom maps of your company's market using your own data or data we collect for you.

LET US CREATE posters, charts and other documents in large format and in color or black and white – to your specification.

WE CAN PRINT most large-format documents from their original form whether in print or digital.

Who WE ARE ...

Research Wizard is a fee-based service of the Tulsa City-County Library that specializes in customized business and technical research.

Our services are available to individuals, companies and organizations regardless of their location.

Our resources include information systems such as Dun and Bradstreet, Dow Jones and Dialog, plus the extensive collections within hundreds of subscription databases.

Cost estimates are provided in advance.
